### JUSTICE FOR ALL PEOPLES

We are now calling on all people from all cultural backgrounds and origins, trade unions, human rights organisations, church groups and students to unite together as one against all racist and discrimination policies imposed by the federal and state governments across our country.

Please donate generously towards assisting our peoples struggle to come together in this very special gathering. To cover the cost of venue and assist some of our elders to get to the gathering, please donate at <[defendingindigenoustrights.wordpress.com](http://defendingindigenoustrights.wordpress.com)>
