**RALLY 12:30PM
FRIDAY OCTOBER 29
COURT HOUSE LAWNS
MPARNTWE - ALICE SPRINGS**

INVEST IN JOBS NOT MORE BASICSCARDS!

The NT Intervention promised “real jobs”. But conditions for Aboriginal people are getting worse. Thousands of jobs were lost as CDEP and community councils closed down. Some of these people now on Centrelink are being forced to work for the BasicsCard. This is working for rations again. The government is going to spend another \$350 million pushing Income Management across the NT. Join the rally to demand this money be invested in jobs and services for all - not punishing struggling people.

Speakers include:

Walter Shaw Tangentyere Council
Miguel Ociones LHMU
Monica Morgan Amnesty International
