## **“Walk With Us”**

**Is Equally informative and Important**

Beautifully illustrated, this hard-covered book provides a very important update of recent happenings in the Northern Territory including unsatisfactory changes to the legislation, Elders visit to the United Nations, the recent Australians visit of Navi Pillay, the UN Human Rights High Commissioner, who flew into Darwin to especially to meet with Aboriginal Elders and leaders from across the Territory. The Commissioner sensed the very, *“... deep hurt and pain that they have suffered.”* (Darwin May 2011). The High Commissioner has joined other world and Australians leaders in their calling for immediate changes .

This is a complex subject and both books provide an easy way of keeping up to date with what has been happening in the Northern Territory.

In *“Walk With Us”* you will learn further what N.T. Aboriginal people are saying and you will hear their heartfelt plea to the ‘People of Australia’.
