

OUR GENERATION

land.culture.freedom.

a film by
Sinem Saban and Damien Curtis

This groundbreaking film has been close to 3 years in the making.

It is a brave, intimate and heartfelt journey into issues that have too long been ignored in Australia.

The struggle of Australia's First Peoples must be exposed, so that knowledge and understanding can open doors to a better future for all Australians.

The film gives voice to the unheard, exposes hidden truths, and unashamedly rocks the boat. As such, we have chosen to keep the film independently funded and uncompromised. We have gotten this far with philanthropic donations, support from the public and our own finances. And we thank all who have helped us on this road.

We believe that this film carries a message that must reach all Australians.

John Butler has called it: "a very important film that will change your life"

Jeff McMullen: "a red-hot poker driven into the conscience of a nation"

And **Cathy Henkel**: "Australia's Inconvenient Truth"

We now need **your help** to get this important film out there.

We have done everything ourselves – research, filming, writing, editing and producing. With some help and advice from key people along the way. It has been a huge journey for us, exhausting but worthwhile.

We have now come as far as we can, within our own capacities.

In order for the film to attain the broadcast quality it deserves, it needs **professional input**, to master the image and sound. This will require paying a professional editor and sound engineer. The **archive** footage that features in the film also needs to be paid for.

So we are asking for your help...

Whether you can give **\$10, \$50 or more**, any amount will help us get there. Together, we can do it!

Donations can be made via the following options:

1. Outside in the foyer, in the DONATIONS box
2. Online, through Paypal, on our website: **www.ourgeneration.org.au**
3. Cheques can be made payable to "Sinem Saban", and sent to 65 Beech Drive, Suffolk Park, 2481 NSW
4. Make a tax-deductible donation through the Documentary Australia Foundation, by visiting **www.documentaryaustralia.com.au**, and searching for "our generation"

All donations above \$50 will be acknowledged in the film's credits.
