**Beautifully illustrated, this
hard-covered book provides a very
important update of the current
thinking about the Intervention.
The book articulates the views of
Aboriginal Elders who gathered in
Melbourne in February 2011 as well as
those of other leading Australians.
This book also contains an update of
the visit of Navi Pillay, the UN
Human Rights High
Commissioner, who flew to
Darwin to meet with the Elders
from communities across the Territory.**
